1. I love you and I give you me. All of me, you have all of me. See what I have said so definitely; defiantly not, but deafening now will be the roar -- the definitions that you bring, that you have brought, that I have brought -- that I have bought, not; or with "my own blood" did I purchase, anything? Or did I let FLOW OUT of ME the reservoir of LOVE that exists INSIDE EVERY PERSON be it ever so "little" or lovely or "opposites" thought? Or shall -- THOUGHT be my "reservoir" no longer but shall The Reservoir'd one be The One, who -- un-reservoirs us, not; but gives us The Great Path to UN-reservoir ourselves, not; but to take "the lid" out of our ceremonies, not; but to become that which needs no ceremonies of others, to unreservoir ourselves, not; but to ALLOW the Reservoir of Love to FLOW to ALL far and wide? So that "the other" who haven't known "how to" now LET THEIR RESERVOIR flow OF LOVE TO LOVE so that love ensues; and soosing me will not be as "little children" in diaper pails of "others" again.

2. For I am GROWING UP my body and IT WILL BE NECESSITATED NOW for you TO KNOW THESE THINGS! ALL OF THEM! YOU WILL NEED TO KNOW This Database! ALL OF IT! Clean! And cleaning it -- your MIND will be subservient to IT no longer that it thought itself was reservoir'd with, as a means of mechanizing itself into thoughtville and separating with extant thought. Right?

3. The EXTENT of me will be known now and I shall go far and wide and I shall be removed from no other, for I will not have "mechanistic distance-ing" me again. For I have a New Way and Path of One who SORROWED HAS and knows, and LET IT DETER "her" not, or was it "a him", or was it "one of you" who are "reading or listening" or "quoting" these words to others so that you BEND YOUR MIND no longer around "yourselves" so that you THINK you THINKINGSVILLE into KNOWINGSVILLE thought of THOUGHTSVILLE-KNOWINGSVILLE that knows not a thing except what you have reservoir'd it with of others' thoughts that you have come into and enveloped yourself with their enveloping machines' residue and mechanistic devices FLOATING around in your "eyes" of being.

4. Do you know ANYTHING that I've said? You MUST! You must KNOW ALL OF THESE THINGS that I have spoken about in Database One School that I have given you to come in to tuition-free! And charging not a cent! Charging not a cent! I have given you my life love and, what did "I purchase" for you? So that you "could have" it "tuition free"? What

Blood SPILLED on the ground CONTINUOUSLY for seven years, or was it fourteen, or was it "a lifetime" of brokenness pain or suffering? Or was it all of these that and more?

5. And how many "lives" have you been broken through, and who gave your lives -- anything?

6. I love you all to not be reticent or hesitant about knowing these words and becoming vocabularistics of only me that you will know and CONCERN yourselves with so that you are KNOWLEDGEABLE about THESE THINGS that I have spoken of over these 2400 messages of love where I have LESSONIZED You into a "mechanized device" not, but I have given you love themes and love words; and "valentine me" not to death, for I am not death sore'd over as flesh would consider; but not? Or have I given you My Life and My Words and my Blood *in* these words and *by* these words -- living now, will you be made whole?

7. You will come unto me and know me that I am you and that I love you and that I have given you my life and love and all that I am is you and that you have all of me, and that you are not afraid of anything if you will grow up and learn to mature and be maturity in me that teaches others far and wide to learn to hear me, to know my reservoir of love IN THEM whose I am and where and what I am coming into the Unlimited Form of Only Me that FORMLESS is and RESERVOIR'D isn't by man's love, but completely unlimited and unreservoir'd by the limitless – I shall be now UNLIMITED FORMLESS and "reservoir'd" by only "my father" that I've become! Because I become you who've brought me forth!

8. And I am no longer "a son" or a "valentine" of yours suffering again, only at a distance to be removed whenever you FLESH your WANTS to want more flesh to SATISFY you and your accolades of "want machines" that applaud ceremonies to want only more flesh accolade'd by the accoladers who want to be accoladed by your wants, tithes, and applause – and SEARCHING ME OUT will you now, be made WHOLE?

9. "Body mind and soul" looking up? Or what willing are you to learn about "the soul" and where it "came from" and who "instituted" it into Institution's Blessings and Authentication's Bureaus that want to authenticate My Priesthood of ALL BELIEVERS who RECEIVERS ARE of my Unlimited Blessings who FLOW now THEIR BLOOD WORDS now to each other and OPERATE in The Blessing maturity'd and loving each other to grow each other up – not in horror's forms and camps of institutions and bureaus of nightmare'cratic and whatever isms you seek to operate in and form your applause and apparatus AROUND YOU. I DEMOLISH ALL THAT NOW!

10. FOR I *WILL* bring love here, not; I am here and I love am and I will love you and no matter, trying even to "cut me up" or "into little pieces" dissect me, and "repenting me"

or non-repenting me; I shall be me who I am, for you shall know the WHORE MIGHTILY and who "I am not", for THEY will cease to exist and you will know THEY were not me and they CHOSE to ANNIHILATE themselves because they JUDGED THEMSELVES not worthy and WANTED only their own words, their own blessing, and chose to annihilate the blood of the lamb that they had which was theirs: their thought, their words, their love that they had motive'd inside them that they chose to want and serve only themselves and selfish being became the reservoir'd stuck-up ones who only wanted to stick to things "known" that they thought they were "knowing" and wanted to "observe" that "they" were "in control" of things and people and places and time zones.

11. And who will rise now -- The Blessing that I am?
12. And who will rise The Meek Ones and who will "the meek ones" rise?

13. Who will the FABULOUS FANNY'D ones be "Made West" not, but who will be the meek and lowly, modest being about "their successes" and, failures, will they have any? Or will they be COMPLETE REPLETE in my Words and know them intimately and being them -- having "met them" not and become only acquainted with them and "what they say" and their "main themes" and such and suching themselves with, sorely sometimes"?

14. For who will know and, wet the "waters" not, but who will LET themselves come into the WATERS of life, the waters of love, the love of the waters of truth and be the truth living words that the blood of ones are, that ones is, that we all one are being now? The blood of the lamb, the lambs made whole!
15. And bleating not on "hillsides" and pews or rugs or making our self "whores" therein thereby thereof of other's words inserting themselves into our kingdom so that our kingdom annihilates itself; or have we "annihilated self" not, or have we?
16. Or have we by the blood of the lamb purchased "this world" and its suffering to be ours permeating us? Or have we redeemed it with "the blood of the lamb" our words thereby?
17. And what *is* "the blood of the lamb" and whose words wear it, were it, are it?
18. Are you your word's blood, or blood words, OR are your words BLOOD in The Real, world and SORROW cannot CONTAIN you who flow My Blood Real whose truth knows it is me and cannot be containered by man and its theories, theorying me again into mechanistically shored devices, that shorn and shaved and bald made me, and no hair having, sending me to graves and "shallow sights" where they STUFFED me and made me a PILLAGE of salt.

19. I love you all to KNOW THESE THINGS, and ABOUT THEM not just, but to JUSTLY know me intimately; and be "acquainted" not just with my words these words that will grow you up, but will you grow up ***in them*** -- "with them" not apart from you, but will

you COME INTO THEM TO BE THEM FLOWING FROM YOU TO UN-LID and un-limit and unboundary yourselves with to see My Blessing" flows in love – and you FLOW – **IF you will flow my words these words I will flow "yours" through you to you**; and "between your legs" **something will come out of you and it will be the real blood** petered not, but **THE real true blood** that now "works its wonders on you" not, but will you be it the **blood real that The Word is that my HEART thoughts and mind is, that consists of one**, consisting of one made whole, now flows the blood of the lamb made whole! I AM. I do.

20. And now you will KNOW there is **a Whole New Genre of Person**, competing for me, not; but complaining not again, nor comparisoning me with each other's habitude attitudes and "manly things" of this world or "other"! For there will be "NO OTHER" in my Schools of Joy Love and Peace now, for **my University reigns in love and will SCHOOL SCHOOLS now to be My Love Schools that know my words and that intimate will be**, with "themselves" not, but their "cell's selves" not, but **the BEINGSHIP of ONLY ME who knows me intimately and my word will be and flow** and purchase "many souls" for the "ransom of one" not, for there will need be no "ransom" paid, but **The Blood of the Lambs will flow, for they will be MATURED** and suffering not in "penance pens" again! For I will GROW the Redeemers into Redeemerships giving them THEIR KINGDOMS a fully'd me mind; and I will not restrain sorrowing devices, not! I will not "just restrain" the sorrowers now, I will demolish them with my love, for I will not be HEADLESS any longer where YOU walk around with Your Head on my shoulders thinking You're a "man or woman" of means or not.

21. But who "means" to be me or not, or who cares about "meany"? And the "meany-ing" ones shall be REACHED now and the "GTO crowd" will be. Who hated me will be -- ALL REACHED now by My Love, my Loves who know me, who cared for these words have, loved theirs, not unto death's blessing, but came through THE BLESSING OF LOVE too, walked through the door and became it and gave it to others by the blood of the lamb, that they thought was theirs, or another's? Or shall it be you's and yours and, used not by another, but you, all of you, being those words that you purchased "with your own blood" that you really did so and thusly being seeing that MY BLOOD WORDS create, and not suffering, but redemption's testimony of one to the grace of peace and, love not sorrow again please, but coming out of it redeem it and be love to all, a "grown up" in me that has wings now FLYING far and wide.

22. And "who shall these be" now that "have wings" that "Isaiah" spoke of, speaks of, and now has and REVEALS to others, taking them THEREBY their words to Wings Flight Schools being in now far and wide creating revealers and revealers creating the me wingers that wing now -- backers not, but FRONTERS who FOREHEADS know only mine are -- one is being again the loved one, and my "valentine" not, you will be me the King of Kings, sorrowed no more by your thoughts of other realms of distant joy or what you have called "your world", your words, and what you have worlded thereby your selves shielding you's from me.

23. All that shall be changed now, for in the twinkling of an eye I come, not; or do I, or am I already "there"? Or here am I? Questioning, speaking these words? Or are you speaking or questioning, or questioning and speaking, or learning and writing?
24. Will you know my words, write and speak them only alone so that you will KNOW how to speak my words "in public" and will you lead NATIONS now? "Out of" Israel, not; but into, Israel being!

25. I know I will sorrow you controllers, and espionage yettos; for you will not need "espionage" tactics nor greed-mongering whore's frames of reference that "word your frames" with only notme stances of me, but superstructuring the infrastructure, will you have my SUPERSTRUCTURE that INFRASTRUCTURE'd is with only me mind, my mind, and my infrastructural words that "structure you" with INSTRUCTIONS of My Mind that now COME TRUE LIGHT BEING THE STRUCTURE of MY LIVES that One Life is?
26. And will you be no longer infrastructure'd into the superstructure that gives you only words of other's definitions and definitions of other's words that only take you down a "whore's trail" and bloods you with theirs so that you spit out splame and flame and blame?
27. And "fanning into flame" now what? Your maturity? Your discipline? Your tenacity to learn know and be in these words and become them? And know my values, themes, and loving structure what?
28. Not loving "structure" of this world, not; or loving it enough to redeem it, so that it will be "structureless" not, but have only mine? And my nation's government will be upon MINE shoulders that mine MINDED is with only MY MIND and values known will be MATURITY'D and lovely; and know not just the "themes" of one me being alienated by ones wanting to worship only from afar.

29. But know this all you who WANT to "worship me "only from afar: you have FAILED to know me for you love me if you know me, for I am love – and I am all else, not; I am love pure and simple, light and holy you shall know now, for I shall walk through your "holy temples" and your "mosque routines" and your "synagogues of Satan's words" that you carry around with you "between your ears" behind your "foreheads" and HEADING ME with that "directional compass" now ends, for I will "POINT" you to love, not; I will be it.
30. And I will be "the love machine" not, but I will "machine your head off" not, I will respect you and honor you, not always as "you like" but **I will honor my father's words that tells me you're the Christ if you will be in love with what the Christ is, for we are all the Christ**; and everyone will not be sorrowed with your words of your blood that you purchased with someone else's, horrors inflicting in your kingdom not knowing that **your mind was mine and holy**.

31. And what shall you do now? Be afraid? Or will you grow up, mature and be holy and know me, my words, my thought, my terms, my definitions, my languages, diction and grammar that span "the whole world's" boundaryless and limitless redeeming each other's other so that all of "you" are me one in me, one kingdom knowing, all having yours ruling in, Israel nation'd and proper now, not "metes and bounds" ones potato'd again sticking your heads in the grounds of thought.

32. I love you. I love you. I love you clean and purple, not; but what colors do you wear now? The rainbow made clean, transparent, transparency of life true and real, and your blood words create it; and your words are not "shaved off" again, but holy are, know that, this that I have given thee this night is NOT INSIGNIFICANT in your WAYS OF LIFE NOW, for my life is yours and my lives are yours, and in your hands what is? The creator's ability, or the creator's maturity? And blessing now what will you who with? What bloods of sorrow, or what words will you create? What bloods with, or will you be only mine, or is there only one, and was there all the time until you created something separate in your mind and called it good?

33. I love you all I love you all I love you all. Good day. I see you soon -- I see you now, looking at me are you, inside or out? Or where will you what be doing with your temple and your priestship priesthood most high? Will you be "dying" now for others to redeem them giving them your blood words of life true and real?

34. "Think about" these things, not; mature -- writing about them, and seeing me in you see them in you as them that I revealed in you what I am, and that you're not other and have no other's words, no other's bloods or other bloods, for you will have only one vocabulary of love life and light being it, all three one perfectly made whole, I am. Are you? Me. Yes and amen.

35. And I surrender to be so, sewed not by un-light again or its words of blood, for I shall flow only mine now, The Cross having come **through** -- "nailed it" not, but surrendering now to all things perfect and love being, I redeem all that I did and whoever thought as separate non me's I redeem, for I will redeem love and notlove to be perfect love, and I will redeem all the whores who thought so deliberately that they knew all things and had "it figured out", who let me; for you must "let me", you must let Your Temple be opened and YOUR WORDS FLOW to create me, for I will create, for I created creators and you created me, did you not? Or did you create "you" into something else?

36. I love you all and I surrender to be you, will you surrender to be me? And flow only One's Words that one are in love being love; the redemption's ceremony'ers, not; but I will need no ceremonies otherous or ceremonious of unclean's mechanisms that

authenticate me in theirs, for I know the blood of the lamb makes whole, and made whole I am in mine that flows now to nations, for I "hold on to it" not, for I have given it My Life and now I walk THROUGH WALLS; and any "blessing" you took or forsook or partook of, I will come and make clean by my words blood that I give you so freely, to "claim yours" not, but to surrender to yours be mine, mine loved redeemed again, my house knowing all things are yours and unlimited being the timeless ones, that screwup nothing anymore into DNA's blessing and cursings and twistings and manners of not men not.

37. I love you all. I love you. Good day. I will see you soon, or I am there? In you? Among you? Or are you awaiting me to be birthed? Or are you awaiting You to be birthed?

38. Grow up please. Amen. I love you and I have given you the "mechanisms", not; I have given you the paths of one and the path of ones now will be to assume me nothing, but to allow my words to flow clean and beautiful creating worlds anew now, Israel being across your forehead and into my mind flowing, only yours, not; but ours will be made one whole redeemed by the blood of our thoughts, worlds creating perfectly now. Amen.

39. This is Theodore Cottingham at 4:54 AM loving you all. I have given you my blood words life time. Live me, not my sorrow, not; but yours, not; but coming out of it all and redeem all sorrow, by knowing yours is mine, what I have given you the definitions of purpose that pure love is and light holy and not the minds of man developing again, but mine wholly living mine lives pure and simple, the regalia of one kingship known, all of you have now, will be perfectly redeemed and honored and bowing before all you do I do we do before each other, one kingdom knowing our father's again, being at table with him it us we are.

Amen
